#### Governance

The Society is governed by the Council comprising a President, a Vice President, a Treasurer, and the Editor of the Journal of the Royal Asiatic Society, together with not more than twenty-four ordinary Members. The Officers and Members of the Council are treated as Trustees for the purposes of the Charities Acts. Council is elected from among the Members (or Fellows) of the Society. Elections are governed by the provisions of Chapter III of The Bylaws of the Society as amended at a Special General Meeting of the Society held on 15 April 2010. Vacancies are filled by vote upon nominations placed in May each year before the Members of the Society at the Anniversary General Meeting.

The President, Vice President and Treasurer are similarly elected from within the Members of the Council.

The Editor of the Journal of the Royal Asiatic Society is appointed by the Council.

The Director is the full-time Chief Executive Officer of the Society, reporting to the President and responsible to the Council. The Director is appointed by the Council.

#### Appointment of Trustees

The Society is governed by a Council. Members of the Council are treated as Trustees for the purposes of the Charities Acts. Council is elected from among the Members (or Fellows) of the Society. Elections are governed by the provisions of Chapter III of The Bylaws of the Society with vacancies being filled by vote upon nominations placed in May each year before the Members of the Society at the Anniversary General Meeting. Honorary Officers are similarly elected from within the Members of the Council. No one shall be elected to the Council who has not been a Member of the Society for at least one year. An Ordinary Member of Council is elected for a term of four years and is eligible for re-election after a lapse of one year. Honorary Officers normally serve for three years.

#### Trustee induction and training

The operations of the Society are monitored through separate Council committees for Finance and Investments, Fellowship and Development, Events and House, Library, Publications and a separate Editorial Board, which meet regularly according to defined schedules at meetings chaired by the President (or the Vice-President or another Member of the Council). The transactions of the committee meetings are submitted to Council meetings for report and for such approvals as may be appropriate.

### Risk management

The Trustees regularly monitor and assess ongoing risks through the appropriate sub-committees responsible for areas in which risks, in whatever form, might arise. Wherever considered necessary, those risks are managed or mitigated through a combination of changed or updated procedures and with the purchase of insurance products, where appropriate.

All signatories to the Society's financial accounts are obliged to have completed an HMRC 'Fit and Proper Persons' declaration.

### **Objectives and activities**

The objects of the charity are to investigate and encourage science, literature and the arts in relation to Asia. The Society promotes a number of activities in this field, including programmes of lectures, research workshops and student events. It also publishes works of scholarship and a journal of high international standing. The Society maintains an important library including prints, drawings and manuscripts relating to the history, religions, languages, art and customs of Asia.

The Trustees have complied with the duty in section 17(5) of the 2011 Charities Act to have due regard to guidance published by the Charity Commission with regard to public benefit.

### **Achievements and performance**

The Society had a busy year in 2024, organising lectures and activities, awarding prizes, supporting its publications and last but not least making its important historic collections available to researchers worldwide.

The series of 36 lectures began in January with a talk by Dr. Kelsey Granger, the winner of the Staunton Prize (2023) and a finalist in the Bayly Prize (2023) on the role of dogs in tombs in early China. The Society also continued to foster its links with its sister societies. Mr. Henry Barlow, Honorary Treasurer of the Malaysian Branch of the Royal Asiatic Society lectured in May on the activities of the Malaysian Branch of the Royal Asiatic Society since its foundation in 1874. The AGM lecture, also in May, was given by Professor Dr. Julia Hegewald on "Jambudvīpa and other Jaina Cosmological Representations from India" with particular reference to the Jambudvīpa in the Society's collection.

In January, the Society also celebrated the release of a special edition of its Journal -a festschrift in honour of Professor Francis Robinson who was also awarded the Bicentennial Medal for Exceptional Service to the RAS. Professor Robinson was first elected a member of the Society in 1989 and served as President from 1997—2000 and from 2003-2006. In March, the Society published in conjunction with Edinburgh University Press, *Ottoman Empire and Safavid Iran, 1639-1683, Peacetime Diplomacy and Controlled Strife in the Early Modern Middle East* by Selim Güngörürler.

The 2023 Bayly prize was awarded to Dr. Thomas Barrett with Dr. Mariano Errichiello, Dr. Kelsey Granger and Dr. Yui Lo as finalists. Professor Sarah Ansari and Dr. Alison Ohta were awarded the bi-centenary medal for their services to the Society at the AGM in May. In addition, the Society announced the launch of the annual Charles H. Norchi Prize for the publication of a book on Afghanistan in English in December. The prize was generously donated by Dr. James Busuttil who also funded the purchase of the Society's Bicentennial medals.

Visits were also arranged to Norwich and Dublin. On the 24th May, the Society visited the Sainsbury Centre at the University of East Anglia, the exhibition held at the Forum library entitled '*Nara to Norwich: Arts and Beliefs at the Ends of the Silk Roads*' and the *South Asian Decorative Arts and Crafts Collection*. The exhibition marked the 25<sup>th</sup> anniversary of the founding of the Sainsbury Institute for the Study of Japanese Arts and Cultures. Special thanks are due to Professor Simon Kaner, Director of the Sainsbury Institute for the Study of Japanese Art and Culture, Professor Susan Whitfield and Olivia Butler for making the necessary arrangements. On the 30<sup>th</sup> May, the Society held a lecture in Dublin to celebrate its long connection with Irish scholars working on Asia while publicising its prizes among students at Irish universities. The event, in conjunction with Trinity College and the Chester Beatty, was made possible by the generous support offered by Dr. Anna McSweeney, Trinity College, Dublin, Dr. Moya Carey and Dr. Ai Fukunaga of the Chester Beatty. Professor Jane Ohlmeyer, Erasmus Smith's Professor of Modern History at Trinity College, lectured on *Making Empire: Ireland and India*, based on her 2023 publication, *Making Empire: Ireland, Imperialism, and the Early Modern World*. In addition, Dr. Moya Carey, Curator of Islamic Collections, and Dr. Ai Fukunaga, Curator of East Asian Collections at the Chester Beatty generously offered an afternoon of special viewings of Mughal, Persian, Chinese and Japanese manuscripts.

In July, the Society, in collaboration with Southampton University, hosted the conference 'New Worlds of the East India Company' organised by Dr. John McAleer (Southampton) and Dr. Joshua Ehrlich (Macau). In September, the focus of the Society's activities centred on Japan when it hosted two events as part of the 'Between the Stones Project' developed by Richard Emmert and Janette Cheong promoting an understanding of the history of Nohgaku. Kitazawa Hideta demonstrated how Noh and Kyogen masks were carved and the renowned Noh actor Matsui Akira was interviewed about his life and work by Dr. Margaret Coldiron.

The Society hosted several visits from other institutions including the Courtauld Institute, SOAS, The Charles Lamb Society, the Royal Collection and the Terengganu Institute for Historical and Legal Studies, Malaysia. In June, a visit by librarians and teachers from California, on a tour supported by the P. Y. and Kinmay W. Tang Center for Silk Road Studies, visiting British institutions with collections associated with Sir Aurel Stein was arranged by Professor Susan Whitfield. The Society was also delighted to receive a delegation from the National Museum of World Writing Systems, based in Incheon, Korea. The Society's key role in the decipherment of cuneiform, one of the world's oldest known writing systems was of particular interest. As a result of this visit, the Director was invited to Korea to present a paper on the role of the RAS in the decipherment of cuneiform at a conference held at the Museum in November.

### Journal of the Royal Asiatic Society

The year 2024 marked a continued evolution of the Journal's scholarly breadth. Two hundred and thirty-one submissions were received from thirty-seven countries, with around 70% of all submissions coming from scholars in Asia (with India and China jointly accounting for 33% of the material).

The article which attracted the most online interest was '*Blown from a gun*': *Situating the British practice of execution by cannon in the context of southern and western Asia* by N. R. Jenzen-Jones, Charles Randall, Jack Shanley, and Omer Sayadi, which was accessed 11,080 times and shared 22 times on X. The article with the widest overall reach was *New dawn in Mughal India: Longue durée Neoplatonism in the making of Akbar's sun project* Jos Gommans and Said Reza Huseini, which was picked up by ten different news outlets and ranked in the top 5% of all research outputs scored by Altmetric. For the October issue, a special edition was published entitled *Mobilising Global Knowledge: Institutionalising expertise in East Asia's industrial transition*. The issue was guest-edited by Dr Hailian Chen and Naofumi Nakamura.

Dr Bradley Camp Davis stepped down from his role as Book Review Editor for the Journal. Rather than seek a replacement, book reviews were handled by JRAS administrator Matty Bradley and the Associate Editor Board. The Journal also welcomed Dr Jaimee Comstock-Skipp and Dr Thomas Barrett, who joined the Editorial Board and was appointed Associate Editors at the start of 2024.

### **The Library**

During 2024, the Society's library and archives continued to play a key role in fulfilling its charitable objectives, with its reading room and enquiry service seeing record levels of use. This reflected the success of the projects initiated during the bicentenary year as well as a higher level of international visitors following the pandemic years. The RAS Digital Library also received record levels of use, with India, Indonesia, and Malaysia becoming the major sources of online traffic. The Society's manuscript RAS Persian 258 (The Gulistan) was loaned to the Mughal exhibition at the V&A which opened in November. Our volunteering programme continued, with volunteers working on the digitization, cataloguing, and conservation of the collections. Our long-standing volunteer Dr. Roger Parsons decided to retire in September having worked in the Society since 2005. The Society is extremely grateful for his contribution to the work of the Society particularly in his cataloguing of the Rawlinson archive. We are also grateful to Graham Jefcoate for initiating a fundraising project to support the conservation of our Edward Walter Hutchinson photograph albums, which document Thailand and other parts of South-East Asia. New acquisitions to the collections included the Jamal Mian archive, and a small collection of papers and diaries of the Assyriologist Reginald Campbell Thompson. The Society also received some modern books on Tibet, and books and papers from the collection of Derek Davis, donated by Diana Davis, as well as a small collection of slide photographs pertaining to the Celebes (Sulawesi) region, and some original letters of Sir Gore Ouseley. We also completed two digitization projects pertaining to manuscripts from maritime South East Asia, in partnership with institutions in the UK and Malaysia. A video documentary about the RAS bicentenary exhibition *Extraordinary Endeavours* was released and is available to view via the Society's Digital Library and social media channels. The Librarian gave a lecture at the RAS for the Charles Lamb Society in June and an online talk on the same subject for the Institute of History and Philology, Academia Sinica (Taipei).

### **Financial Review**

#### *Income and Expenditure*

Income has decreased from £540,469 to £528,077 which includes project income of £43,179. Total income from the *Journal* is at £40,359 which is similar to the overall net income in 2023 of £40,735. There is now a revised agreement between RAS and Cambridge University Press as of 1<sup>st</sup> January 2024 where the revenue sharing model was changed to royalties compared to the share of income and expenditure method applied in previous accounting periods. Subscription has increased from £65,200 to £73,908.

Overall expenditure shows an decrease from £664,484 for 2023 to £574,073 for 2024. This was mainly due to a decrease in travel and exhibition costs in the year.

## REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2024

---

### *Policy on Fixed Assets*

Changes in the fair value or market value of the Society's property are not significant to an assessment of its financial position or financial performance for as long as the Society remains settled in its current premises. Further, the cost of obtaining estimates of market value annually is considered to outweigh the benefit of having and reporting such information. Accordingly, having taken advice from the auditors, the Society reverted to a cost model for reporting the value of our freehold property in 2014. The accounts show the property at a cost of £3.2 million, less accumulated depreciation, giving a net book value of £2.4 million. Depreciation of £43,064 will be charged annually in future periods. The Society continued to receive a valuable rental stream of £89,329 in 2024 compared with £88,758 in 2023.

### *Investments*

The investment portfolio increased slightly in value from £2,381,782 to £2,467,944 at 31 December 2024. Over the same period total investment income decreased from £100,953 to £84,570.

### *Heritage Assets*

The Manning archive appears at the valuation of £98,000. Otherwise, all Heritage Assets continue to be carried in the Balance Sheet at a £Nil value but are insured against loss and damage. There have been no disposals in 2024.

### *Reserves policy*

The trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately 3 months of unrestricted charitable expenditure. The trustees consider that this level will provide sufficient funds to ensure that support and governance costs are covered. The balance of unrestricted funds as at 31 December 2024 was £4,490,216 (2023: £4,544,852) of which £4,061,334 (2023: £4,124,222) is regarded as free reserves.

### *Outlook for 2025*

During 2024 charitable expenditure decreased from £646,065 in 2023 to £557,555. The overall decrease was due to reduction in cost such as travel, accommodation and entertainment from cultural events the reduced to £23,400 compared to £121,613 in 2023 when there was the Exhibition at the Brunei Gallery at SOAS.

Following the Bicentenary activities, expenditure has returned down to normal levels in 2024. Although income has also reduced, the increase in net gain on investment has resulted in overall net profit of £17,361. After the chaos of Trump's tariffs on international markets, the investment portfolio is down 4.7% total return (TR) this year compared to the Global Equity market index which is down 10.5% TR. However, broader markets are rallying, and it is not believed there is any reason to panic. The Society's financial position remains sound, and its income will continue to be enhanced by the increase in membership subscriptions and short-term rental opportunities.

### **Trustees' responsibilities in relation to the financial statements**

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

## REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 DECEMBER 2024

### Trustees' responsibilities in relation to the financial statements (continued)

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the governing document. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

### Auditor

UHY Hacker Young have expressed their willingness to continue as auditors

### Statement of disclosure to auditor

So far as the Board of Trustees is aware:

- a) there is no relevant audit information of which the charity's auditors are unaware; and
- b) they have taken all steps that they ought to have taken as Trustees in order to make themselves aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

## **INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF THE ROYAL ASIATIC SOCIETY OF GREAT BRITAIN AND IRELAND**

---

### **Opinion**

We have audited the financial statements of The Royal Asiatic Society of Great Britain and Ireland (the 'charity') for the year ended 31 December 2024 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2024 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statement is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

### **Other information**

The other information comprises the information included in the annual report, including the trustees' report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the financial statements. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

## **INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF THE ROYAL ASIATIC SOCIETY OF GREAT BRITAIN AND IRELAND**

---

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### **Matters on which we are required to report by exception**

In light of the knowledge and understanding of the Charity and its environment obtained in the course of the audit, we have not identified any material misstatements in the trustees' report. We have nothing to report in respect of the following matters in relation to which the Charities Act 2011 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of trustees**

As explained more fully in the Trustees' Responsibilities Statement set out on pages 7, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

**INDEPENDENT AUDITOR'S REPORT  
TO THE TRUSTEES OF THE ROYAL ASIATIC SOCIETY OF GREAT BRITAIN AND IRELAND**

---

Based on our understanding of the charity and the industry in which it operates, we identified that the principal risks of non-compliance with laws and regulations related to acts by the charity which were contrary to applicable laws and regulations including fraud, and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements such as the Charities Act 2011. We evaluated management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls) and determined that the principal risks were related to investment valuations and the charity's net income for the year.

Audit procedures performed included: review of the financial statement disclosures to underlying supporting documentation, review of reports received by us directly from Rathbones Investment Managers, enquiries of management and testing of journals and evaluating whether there was evidence of bias by the trustees that represented a risk of material misstatement due to fraud.

There are inherent limitations in the audit procedures described above and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. Also, the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

**Use of our report**

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 8 of the Charities Act 2011 and regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2024**

---

**1 Accounting Policies**

**Charity information**

The Royal Asiatic Society of Great Britain and Ireland is incorporated by a Royal Charter dated 11 August 1824, together with a Supplemental Charter granted by Her Majesty Queen Elizabeth II under Her Sign Manual dated 11 November 1988.

**a) Basis of preparation**

The financial statements have been prepared in accordance with the Charities Act 2011 and “Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)”. The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements have been prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historic cost convention, with the exception that investments are included at market value.

The Trustees consider that there are no material uncertainties regarding the Trust’s ability to continue as a going concern. With respect to the next reporting period, the most significant areas of uncertainty that affect the carrying value of assets held by the Society are the level of investment return and the performance of investments.

**b) Incoming resources**

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably. Rental income is recognised on the accruals basis; rent free periods are apportioned over the life of the lease.

**c) Donations**

Donations to the Society are provided either as:

1. contributions to the Society's general purpose funds; or
2. a specific donation for a separate and distinct project or purpose.

Contributions to the Society's general purpose funds are firstly applied to supplementing the Society's ongoing requirements for operational funding, but any surplus funds are then added to the Society's endowment to enhance its capacity to support and expand its core objectives on a long-term basis.

Donations provided for a separate and distinct project or purpose can be provided either for a one-off project or in the form of a designated fund, the income from which can be applied annually to support the donor's desired objective. In either case, the Society will consult fully with the donor and provide a detailed account statement to demonstrate how the funds have been employed.

Any donation will be applied to the Society's general purpose funds, unless the donor specifies the donation as being for a separate and distinct project or purpose.

**d) Resources expended**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis. All expenses, including support costs and governance costs, are allocated or apportioned to the applicable expenditure headings. For more information on this attribution refer to note 9 below.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2024**

---

**e) Taxation in relation to Gift Aid**

Income tax recoverable in respect of subscriptions received under Gift Aid is brought into account up to the end of the fiscal year ending within the calendar year.

**f) Allocation of overhead and support costs**

Overheads and support costs are allocated first between charitable activity and governance. Overhead and support costs relating to charitable activities are apportioned to departments based on the staff salaries in that department as a percentage of total staff salaries.

**g) Governance costs**

Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to statutory audit and legal fees together with an apportionment of overhead and support costs.

**h) Charitable activities**

Costs of charitable activities include costs related to the library, journal, and events. Included within the costs is an apportionment of overhead and support costs, as shown in note 9.

**i) Raising funds**

The cost of raising funds consists of investment management fees.

**j) Freehold buildings**

The freehold property is carried in the accounts at historic cost.

Depreciation is provided at a rate of 2% per annum on a straight line basis on the estimated building element of the cost of the property from the date of occupation.

**k) Furniture, Fittings and Equipment**

Furniture, fittings and equipment are shown at cost and written off over their useful lives. Depreciation is provided on furniture, fittings and equipment, calculated to write off the cost on a straight line basis over their estimated useful lives as follows:

Furniture and Fittings	20% per annum
Equipment	25% per annum

**l) Investments**

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

The Trust does not acquire put options, derivatives or other complex financial instruments.

**m) Current asset investments**

The current asset investments represent the balances held by the charity's investment fund managers.

**n) Stock of Publications for Sale**

Stock of the Juki book and the TOD publication is valued at the lower of cost and net realisable value.

No value is taken in the accounts of the stock of the charity's other own publications for sale, on the grounds that the cost figure would be difficult to ascertain and the saleability is uncertain.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2024

---

**o) Heritage assets**

The Society holds and maintains a collection of insured heritage assets principally for their contribution to the knowledge and culture of Asia. These heritage assets have been published in the Society's monographs, such as the 2010 *Muhammad Juki Shahnama*, the Society's specific Catalogues and periodic Journals now available on-line, and are generally accessible through the Society's website [www.royalasiaticsociety.org](http://www.royalasiaticsociety.org).

These heritage assets were received as donations in the nineteenth and early twentieth century and have never been formally valued. The Trustees consider that owing to the diverse nature of the assets held, conventional valuation approaches lack sufficient reliability and that, even if valuations could be obtained, the costs would be onerous compared with the additional benefits derived by the Society and users of the accounts. Therefore, the Society does not recognise these heritage assets on its Balance Sheet. Any costs associated with or income derived from holding these heritage assets is recognised in the Society's Income and Expenditure Account. Three manuscripts: the Muhammad Juki *Shahnama* (RAS Ms. 239), the *Gulistan* ('Rose Garden') of the Persian poet Sa'di (RAS Ms 258) and the *Kitab-i Mathnawiyat-i Zafar Khan* (RAS Ms 310) are deposited on long loan at the University Library, University of Cambridge.

Any items purchased are capitalised at cost and, as they become obsolete or out of date or unusable, they are scrapped and the original cost is written off to the income and expenditure account in full. The items held therefore maintain high residual values in relation to costs and, due to this, they are not depreciated. The Charity maintains an appropriate register of its assets in order to apply this accounting policy.

The Prize will be awarded, either annually or as funds permit, for a distinguished dissertation on an Asian topic that would fall within the scope of the Journal of the Royal Asiatic Society or of Modern Asian Studies, and which has been approved for the PhD degree by a British university either in the previous calendar year or since the Prize was last awarded. The Prize was funded by generous donations from friends and colleagues of Professor Bayly and generous contributions from The Past & Present Society, The Wolfson Foundation, The Thriplow Charitable Trust, Cambridge University Press, and Wiley-Blackwell. His impact on learning and thought went further than just publishing. He nurtured a sense of enquiry and constructive critical thought in so many, from undergraduates through to early career colleagues. Professor Peter Frankopan has donated £5,000 to the Society for a prize in David's memory.

The fund should be used to provide a small annual award to the author of a Journal article published during a calendar year. Entry is restricted to those who have completed their PhDs within the last 10 years to reflect David's commitment to education and to the encouragement of younger scholars.
